Nursing & Midwifery Journal Articles

5th August 2018

Citations of newly published articles in selected nursing journals have been retrieved from the CINAHL database by the Townsville Health Library.

To obtain the full text of an article:

1. There is a link at the bottom of the reference, click this to check for full text. You may be prompted for your CKN login (using OpenAthens). Register for CKN here

or

2. If the article is not available in full text, you will be automatically redirected to the Article Request Form, and the Library will obtain the article for you at no charge.
